

Handshower and Grab Bar meets ADA requirements when properly installed

## BRING SAFETY AND CONVENIENCE INTO THE SHOWER WITH JACLO'S COMBINATION ADA-COMPLIANT ADJUSTABLE-HEIGHT HANDSHOWER SYSTEMS AND LUXURY GRAB BARS.

- Ability to add an adjustable—height handshower system to Luxury Grab Bar Classic and Modern Series.
- Simple replacement and upgrade of an existing shower head to new handshower bathing technology.
- Multiple combinations and configurations for all bathroom and shower designs.
- Styles and designs to match other decorative fixture brands—from traditional to contemporary.
- Custom lengths, finishes and styles available.
- Perfect for Residential, Commercial and Hospitality installations.
- Tested for structural strength levels set by ADA and ASTM standards. 

### CONFIGURATION EXAMPLES:

- A. Straight** (post to post)  
Luxury Grab Bars can be mounted vertically, horizontally or at any angle.
- B. Inverted "T"**  
Provides horizontal grip coverage and vertical height protection when standing. Ideal for adjustable height handshower systems.
- C. Straight** (middle posts)  
When installing grab bars longer than 32", a center post is required.
- D. Horizontal with Handshower Cradle**  
Ideal for installation next to a bench seat or when Assisted Living Needs are essential.
- E. 90° Left-Hand or Right-Hand**  
Safety and luxury with practical functionality anywhere in the bathroom. Also available for inside corners.

 All JACLO Luxury Grab Bars (Classic, Modern, Deluxe and Commercial) are tested for structural strength levels set by ADA and ASTM and are ADA Compliant when properly installed.

JACLO offers the most diverse product line in the industry with a full range of Shower Specialties, Faucets, Accessories, Decorative Specialties® and Channel Drains.

# Boomer Bars®

## Bridge the gap between function + fashion.

Offering a refreshing alternative to the institutional-looking models on the market, the JACLO® Luxury Grab Bar Collection brings safety and sophisticated design together in the bathroom. Versatile and practical for many applications, JACLO stylized grab bars, when installed vertically or horizontally in the shower, can be fitted with an adjustable slider-cradle that allows for the use of one of several innovative handshowers. All JACLO Luxury Grab Bars are tested for structural strength levels and are ADA-Compliant when properly installed. With 11 styles in 20 finishes plus JACLO's capability to produce custom sizes and finishes, these grab bars can match seamlessly with existing hardware and decor.

- **QUALITY BRASS CONSTRUCTION.**
- **11 STYLES FROM TRADITIONAL TO CONTEMPORARY.**
- **20 STANDARD POPULAR FINISHES.**
- **MANY CONFIGURATIONS AND LENGTHS STARTING FROM 12".**
- **CUSTOM SIZES AND FINISHES AVAILABLE.**
